Enjoy all-American anthems, US craft beers, fresh cocktails, American-famed sports and classic American dishes such as ribs, burgers and hotdogs.

The SilverLake Social is authentically American and yet somehow feels more Melbourne than most spots along Chapel Street (where we're located!).

Enjoy a game of pool or sit back and relax as you watch a nail-biting game of NBA or NFL on TV. Or simply work your way through our rotating tap beer system, dedicated to craft American beer brands including Stone Brewing, Sierra Nevada, Brooklyn Lager and Deschutes Brewery
